I have the honour to inform you that it is proposed to distribute the antirabic vaccine prepared at this Institute to the head quarter hospitals of the districts of the Madras Presidency, so that persons bitten by rabid animals may be treated in their own districts - instead of having to come to Coonoor for treatment as is the arrangement at present. I should be obliged if you would kindly ascertain and let me know if the Government of Mysore desire to participate in the new scheme & and , if so, to what centre or centres the antirabic vaccine should be sent .

All necessary particulars will be sent later, I now merely ask for the general agreement of Mysore Government.

His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

SIR,

Referring to your letter No. L.3812/Med.75-21-2, dated, 31st December 1921, calling for my opinion in the matter of treatment of persons bitten by rabid animals in the Head Quarter Hospitals in Mysore, I have the honor to state that, in my opinion, it would be a great advantage if the treatment could be carried out successfully here, without sending the patients all the way to Coonoor. The treatment could be carried out at the Victoria Hospital, Bangalore, and at the Krishnarajendra Hospital, Mysore, if full directions are sent.

I have the honour to be,
Sir,
Your most obedient servant,
